

# PRO Contractor of Excellence Awards Categories

**\*Cost is defined as contract price, all extras, change orders and the fair market value of materials and products that were purchased, sweat-equity and in-kind services provided, and/or any subcontract work. The cost of all homeowner provided products, services, or labor should be included in this cost. All markups and profit should be included in the cost provided. For member-owned projects, costs should include normal markups as if the project was contracted to an outside client.**
