PRESENTING SPONSOR

Connecting  
those in need

with those  
who can help.

# We're in this together.

M.U.D.'s Home Fund provides help for the most vulnerable members of our community, and we couldn't do it without the financial support we receive from our generous donors. Unfortunately, the need is greater than the funds we have available.

**Please consider making a year-end, tax-deductible contribution today, where 100% of your donation will directly help a neighbor in need.**

For years, so many of our friends, family and neighbors in the greater Omaha area have struggled to pay their utility bills. M.U.D. has had an unprecedented number of customers facing financial hardships reach out to us for help. These families are struggling to make ends meet and are having to make difficult choices between necessities such as food, childcare, medicine and utilities. The life-essential services we provide every day are crucial to meet the needs of our community.

---

**About the Home Fund:** The fund, established in 1983 to assist seniors, people with disabilities and limited-income customers suffering severe financial hardships, has raised nearly \$4.5 million and served more than 35,000 households. Donations are administered by Dollar Energy Fund, a 501(c)(3).

**The mission:** To provide utility assistance by connecting customers in need with the community.

We've made it easy to give online:
